

Payroll 7 Software Request Form

Return via FAX to 1.843.216.6111

I understand that Payroll 7 includes a third-party product (Aatrix) for our federal and state payroll tax forms, our maintenance will increase by \$100 per year, upon our next maintenance renewal, to cover the Aatrix forms subscription. If my organization chooses to use the e-file option, I understand this is an additional, billable service offered by Aatrix.
